MPCA an Organized Voice for the Community

June 8, 2021

### President's Message

This year the MPCA is celebrating its' 95<sup>th</sup> year as a volunteer organization in the Marine Park Community. Looking through old photos and newspaper clippings from these 95 years, we continue to see how our community continues to thrive and neighbors work together for the betterment of our community. As we slowly start to resume our daily lives after a year and a half of covid concerns and restrictions, we hope you and your families will enjoy the outdoors and reconnect with family and friends.

In 1999, the President's Message for the June 1999 newsletter written by former MPCA President Carmine Carro "Covenant" is a reminder of how we can continue to ensure our community continues the legacy of all our past Presidents and Board members who have worked through the years for the Marine Park Community.

The Random House Dictionary defines the word covenant as: 1. An agreement between two or more persons. 2. A promise made by a covenant. The items listed below are all important and their position on the list does not diminish their importance.

1. Be civil – treat your neighbors as you would like to be treated.
2. Try to keep shared driveways clear.
3. Clean up after your animals – curb your dogs in the gutter not on the sidewalk. When walking your dog keep your dog on a leash.
4. Try your best to put out garbage as late as you can the night before pick up. Keep garbage pails tightly covered. Marine Park Recycles – continue to recycle.
5. Be a Block Watcher – act as the eyes and ears of the police. You can now contact our NCO's – Neighborhood Coordinating Officers.
6. Sweep 18" from the curb – help prevent meters or alternate side parking coming to your block.
7. Keep the level of sound at a reasonable level. If you are having a party, consider your neighbors and lower the volume at a reasonable hour. This applies to cars also.
8. In the Fall, pick up and dispose of leaves properly.
9. Keep front and rear yards trimmed and maintained.
10. Find out when Community organizations meet. Attend if you can – local Civic Associations, Community Board meetings, Parents Associations, etc..
11. Try to support Community events that are sponsored by Community Organizations.
12. Do not spread rumors – find out the facts before repeating the story.

I look forward to seeing you at our next meeting outdoors in Marine Park adjacent to the Carmine Carro Community Center. This is the first Community meeting since our last one in February 2020 due to Covid restrictions. We hope to resume our regular monthly schedule in September. We will be installing our Board members at this meeting. A special thank you to all the Board members who continue to volunteer their time as well as former Board members.

The MPCA does not publish a newsletter in July or August or hold general meetings but that doesn't mean we close down operations. Please contact us on our hotline, website or facebook if you have any concerns.

Please be safe and stay strong!

## The COVID-19 Emergency Eviction and Foreclosure Prevention Act of 2020

Apply for Emergency Rental Assistance Program (ERAP)

The COVID-19 Emergency Eviction and Foreclosure Prevention Act of 2020 ensures New York renters and homeowners impacted by the COVID-19 pandemic can safely remain in their homes. The act suspends eviction and foreclosure proceedings to give renters and homeowners the opportunity to submit a hardship declaration.

The moratorium, as well as the Protect Our Small Business Act have been extended to August 31 2021.

Applications to the Emergency Rental Assistance Program (ERAP) are being accepted.

If you face eviction or foreclosure from loss of income or increased costs due to the COVID-19 pandemic, select and submit the applicable hardship declaration below.

## Witty's News

### Last Local Farm

December 4, 1949 - Frank Albanese harvests his last Italian dandelion crop from remnants of a farm that once covered the site of the Sheepshead Bay-Nostrand houses shown in the background. The concrete points mark the site of the grandstand at the old Sheepshead Bay Racetrack, also known as the Coney Island Jockey Club, founded in 1880.

One of the Club's founders was Leonard Jerome, Winston Churchill's grandfather. His daughter, Lady Randolph Churchill, was born in Brooklyn. Jerome Avenue bears his name. He was also known as: "The King of Wall Street." Leonard is buried in Green-Wood Cemetery, Brooklyn.
